The list shall be composed of cases placed thereon by order of court or marked for trial by a writing given to the clerk not later than the first day of August preceding. Said list need not be printed or prepared for distribution except to such extent as may be deemed proper by the clerk or ordered by the court.

Cases may be added to the list, at the end thereof, at any time by order of court or on the first Monday of any month by written agreement of all parties interested or seven days notice to all parties interested and the filing with the clerk of an affidavit thereof.

The clerk shall make an adequate short list of cases for the first day of any session, and at least four days before that day shall have such short list ready for inspection and shall mail a copy thereof to all counsel of record in the cases thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

When separate sessions for or including civil jury business are held simultaneously in the same shire town, the list, assignment of cases and other administrative matters shall be subject to the direction of such justice as the chief justice may designate.

Cases on one jury trial list shall not have precedence over, or be carried over to, a succeeding annual list, unless the court shall otherwise order.

### RULE 60

*(Applicable to civil cases without jury except in Suffolk)*

#### TRIAL LISTS WITHOUT JURY IN COUNTIES OTHER THAN SUFFOLK

In counties other than Suffolk, for each session for or including civil business without jury a list of cases for trial or hearing on the merits without jury shall be made; but only one list shall be made for several sessions held simultaneously in the same shire town, and in such case the list, assignment of cases and other administrative matters shall be subject to the direction of such justice as the chief justice may designate. The list shall be composed of cases placed thereon by order of court or marked for trial by a writing given to the clerk at least twenty-one days before the beginning of the session, and shall be ready for inspection at least seven days before the beginning of the session.

Cases may be added to the list by order of court at any time or by written agreement of all parties interested given to the clerk not later than the second day preceding the beginning of the session, and shall be placed at the end of the list unless the court shall otherwise order.

The clerk shall make an adequate short list of cases for the first day of the session, and at least four days before that day shall have such short list ready for inspection and shall mail a copy thereof to all counsel of record in the cases thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

Equity cases, in counties having separate equity dockets, and divorce cases shall be segregated on the list and taken up at such times as the court may order.

Cases on one list for trial or hearing shall not have precedence over, or be carried over to, a succeeding list, unless the court shall otherwise order.

#### RULE 62

*(Applicable to civil jury cases in Suffolk)*

#### TRIAL LISTS WITH JURY IN SUFFOLK

In Suffolk there shall be made for each year beginning the first Monday of September, a general jury trial list, and for each month except August a special jury trial list of cases within G. L. c. 212 § 16 or within such other designation of the purposes of special or speedy trial sessions with jury in Suffolk as may be made by the chief justice under St. 1928 c. 228.

Said lists shall be composed of cases placed thereon by order of court or marked for trial by a writing given to the clerk not later than the first day of the month preceding. Said lists need not be printed or prepared for distribution except to such extent as may be ordered by the justice having direction of the lists.

Cases may be added to the general list, at the end thereof, at any time by order of court or on the first Monday of any month by written agreement of all parties interested or seven days notice to all parties interested and the filing with the clerk of an affidavit thereof.

Short lists shall be made by the clerk under the direction of the justice having direction of the lists, and shall be mailed to all counsel of record in the cases thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

The lists, assignment of cases, and other administrative matters in civil jury cases in Suffolk shall be subject to the direction, as to the general list, of the justice presiding in the first jury session, and as to the special list, of the justice presiding in the sixth jury session, except as may be otherwise ordered by the chief justice.

Unless the court shall otherwise order, cases on one special list not reached for trial shall take precedence of cases on a subsequent list, but cases on one general list shall not have precedence over, or be carried over to, a succeeding general list.

#### RULE 64

*(Applicable to civil cases without jury in Suffolk)*

#### TRIAL LISTS WITHOUT JURY IN SUFFOLK

In Suffolk there shall be made for every Monday, except in August, a weekly list of cases for trial or hearing on the merits without jury.

Said list shall be composed of cases placed thereon (a) by order of the court, (b) by written agreement of all parties interested given to the clerk not later than four o'clock in the afternoon on the Tuesday preceding the Monday for which the list is made up, or (c) by written notice to all parties interested seven days at least before the Monday for which the list is made up and the filing with the clerk of an affidavit thereof not later than four o'clock in the afternoon on the Tuesday preceding said Monday.

Cases for assessment of damage only shall be classified as such on the list and shall be heard at the opening of the court on each Monday, unless the court otherwise orders. Other cases shall, unless otherwise ordered by the court, be arranged on the list according to the time

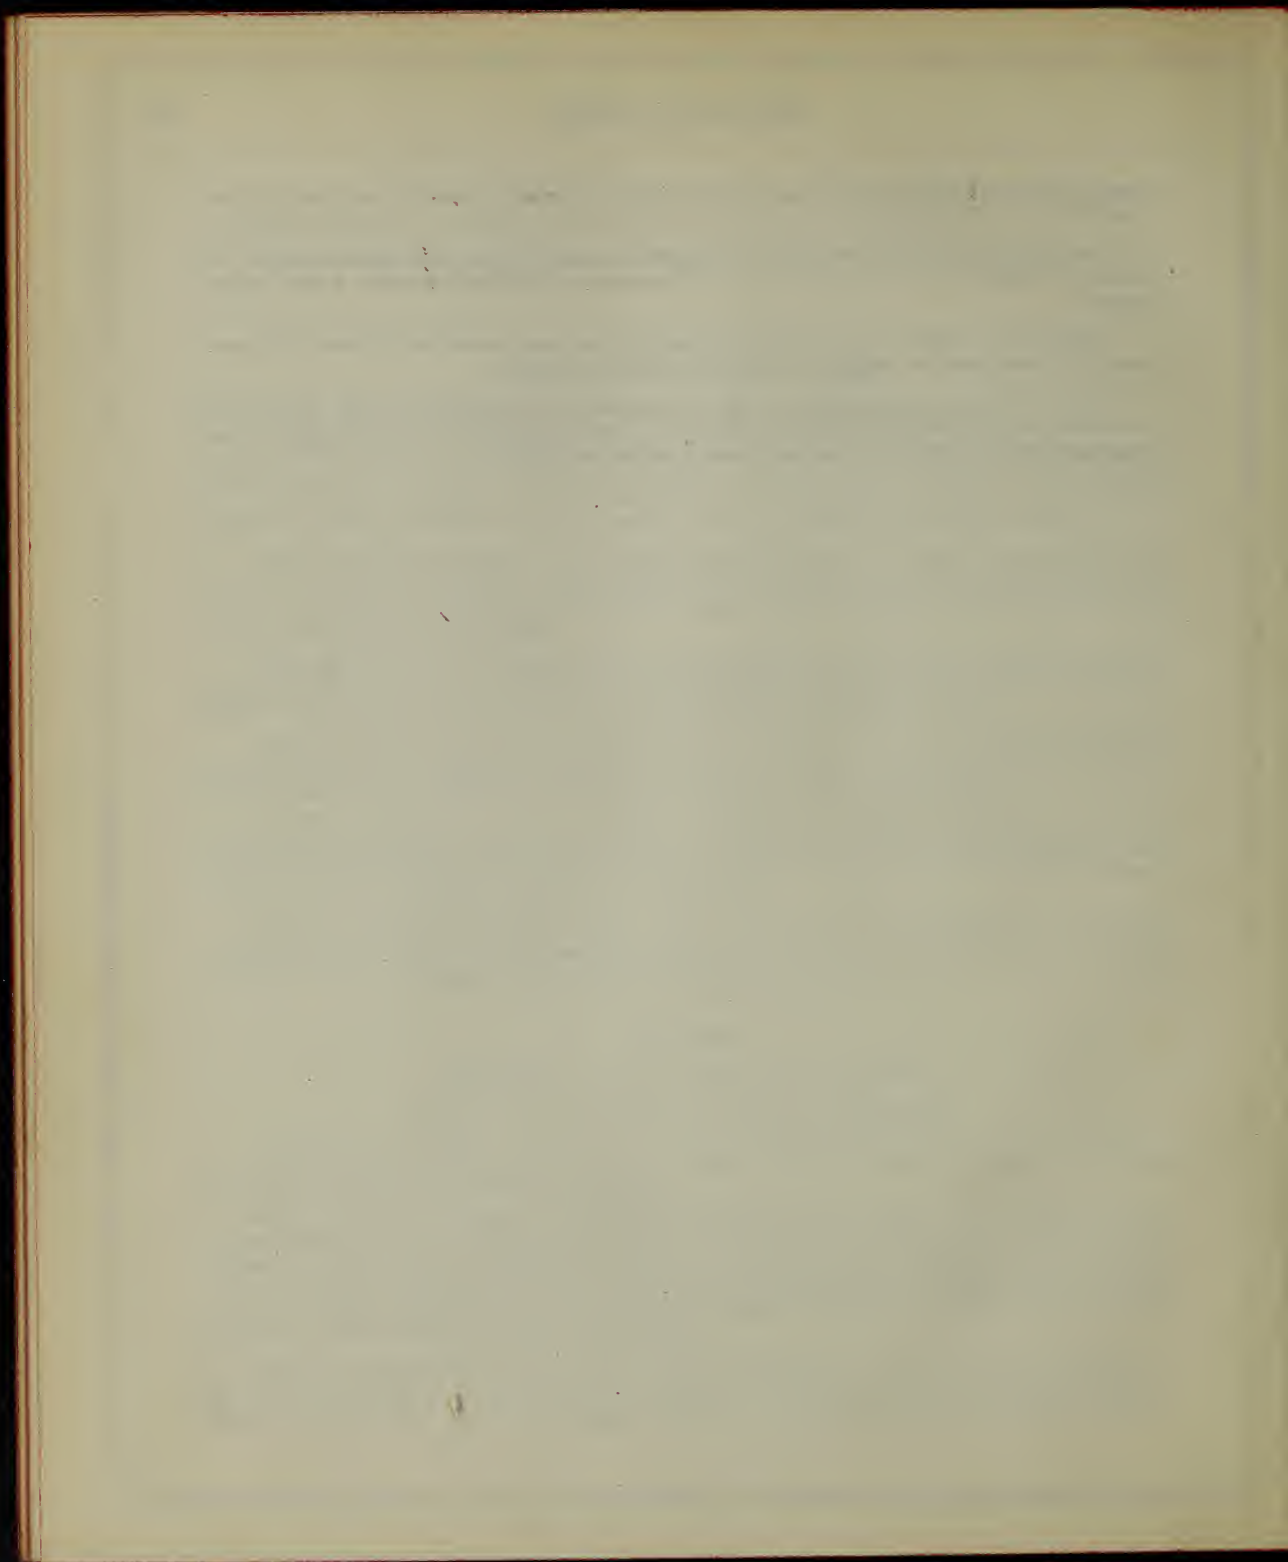

when placed thereon, precedence being given, however, on written request of any party, to cases within G. L. c. 212 § 16.

The weekly list shall be mailed to all counsel of record in the cases placed thereon; but failure to receive such list shall not be a sufficient excuse for ignorance that a case appears thereon.

Cases on one weekly list not reached for hearing shall take precedence of cases of the same class on a subsequent list, unless the court shall otherwise order.

The list, assignment of cases, and other administrative matters in civil cases without jury in Suffolk shall be subject to the direction of the justice presiding in the first session without jury, except so far as may be otherwise ordered by the chief justice.

### CURLEY TO FOSTER WORK OF AMERICANIZATION

It is the intention of Gov Curley to make the position of Director of the State Division of Americanization and Immigration a salaried one in order that the incumbent may devote full time to the duties. He conferred yesterday afternoon with Commissioner Payson Smith of the State Department of Education of which the division is part.

The Governor believes the position is highly important and that it can be used in combatting the spread of Communism as well as in the prevention, in some measure, of crime.

*Globe 1/8/35*

Gov Curley talked also with Payson Smith, State commissioner of education. The Governor is greatly interested in the teaching of what is commonly termed "Americanization," and Mr Smith apparently takes the same attitude.

Governor Curley reported that he had found Commissioner Smith in agreement that something should be done also to broaden the teaching of Americanism in the public schools and had recommended that he draft a bill to make permanent the work of the State director of immigration and Americanization which is at present an unpaid position.

### SALARIED POST URGED BY CURLEY

Full Time for Director of  
Americanization, Immigra-  
tion Proposed

The position of state director of Americanization and immigration in the department of education would be made a full-time salaried post under plans which Gov. Curley discussed yesterday with Payson Smith, commissioner of education. Dr. Smith agreed with the Governor's views.

The Governor expressed the opinion that this position is one of considerable importance and that it can be employed as a powerful instrument in combatting the spread of communism, bolshevism and radicalism in general as well as be a preventive of crime.

For many years the late Mrs. Pauline Revere Thayer of Boston and Lancaster held the post and on her death former Gov. Ely appointed Mrs. Mary A. Barr of Boston as the director.

Gov. Curley believes that if it be made a salaried position the director would be more willing to devote full time and additional energy to the work.

A meeting of the Advisory Board of the Division of Immigration and Americanization was held at the office of Miss Mary Barr, Director, at 11. a. m. on January 9, 1935.

The following were present:

Miss Mary Barr, Director.

Mrs. Eva Whiting White

Mrs. Charles H. Danforth

Mrs. May R. Shoolman.

The meeting was called to order by Miss Barr. The minutes of the last meeting, held December 19, 1934, were read by the secretary and approved as read.

The board discussed, in general, possibilities of increase of staff for the Division, particularly of the Boston office. E. R. A. possibilities were discussed and the possibility of connecting Miss Herlihy who is acting for Governor on work projects. The use of students was discussed.

Miss Guyton, Supervisor of Adult Alien Education for the Department of Education spoke to the board on the educational work of the department.

There was a general discussion, at the close of the meeting, of the situation in regard to citizenship in education facilities in Boston.

The meeting adjourned at 12.10.

After a conference with the Governor, Dr. Payson Smith, state commissioner of education, introduced legislation providing for a full-time director of the division of immigration and Americanization. The proposed director's salary will be determined by the Governor and council.

**GOV. CURLEY URGES  
PAY FOR DIRECTOR**

Conversion of the unpaid post of director of Americanization and Immigration at the State House into a full-time, salaried position was proposed last night by Governor Curley, following a conference with Dr. Payson Smith, State commissioner of education, in charge of the entire educational programme.

For a number of years, Miss Mary E. Barr, prominent Boston civic worker, has been directing this Americanization and immigration work, without pay while a number of subordinates in the division have been receiving nearly \$2000 each.

Declaring that the government should use all the means at its disposal to rid itself of the many communistic agitators in the United States today, Miss Alice O'Connor, executive secretary of the board of Americanization and immigration, yesterday delivered an attack on communism in an address before the Boston College sociology class in the senior assembly hall, Tower building, University Heights.

Miss O'Connor said the present immigration and deportation laws are adequate not only to keep immigrants with communistic tendencies out of the country but also to deport those now in the country who are hostile to the American system of government.

"In all justice the present legislation with regard to communists entering the country should also be applied to those communists already within our borders," she said.

Governor Curley spoke of the need of naturalization work and said that because of his belief in that principle, he had persuaded Payson W. Smith, State commissioner of education, to make the division of Americanization a full-time job, with a salary of at least \$3500 a year.

"And I have no fear," he said, "that the Democrats will suffer, because Mary Barr is in charge of that work."

I am interested in Americanization. Last week I called in Payson Smith, the commissioner of education, and suggested to him the establishment of a position as director of education, and suggested to him the establishment of a position as director of Americanization, a paid position carrying a salary of at least \$3500 annually and requiring full time duty. I think we can accomplish something along this line.

**ASKS FULL TIME DIRECTOR  
OF IMMIGRATION DIVISION**

State Commissioner of Education Payson Smith urged a bill to provide for a full-time director of the Division of Immigration and Americanization today at hearing before the Legislative Committee on State Administration. Such a measure is favored by Gov. Curley.

Dr Smith said that for the past 15 years the director of the division has received no compensation whatsoever. He praised the good work of Mrs Pauline Revere Thayer, who recently died, as the director of the division. He said that if the Department of Education were sure of getting another director as good as Mrs Thayer it would be unnecessary to have this legislation. The division has grown to such large proportions that it is necessary for the director to give full time to the work, said Dr Smith.

Asked if he could give an idea what the salary should be, Dr Smith said it should be about \$4800, which is the salary received by the director of the Division for the Blind.

The petition also was supported by Israel B. Albert, representing the Hebrew Immigrant Aid Society. There was no opposition.

WEDNESDAY, MARCH 13, 1935

A meeting of the Advisory Council was held at Room 213, State House, Boston, on Wednesday, Mar. 13, 1935 at 11 o'clock. Those present were:

Miss Mary Barr, Director  
Mrs. Danforth  
Mr. Clark.

The minutes of the past meeting, held February 13, 1935, were approved without reading as they had previously been sent to the individual board members for reading and approval.

The meeting opened with an <sup>informal</sup> discussion of possible plans for the conference to be called April 30 on Americanism at the request of his Excellency, Governor Curley.

Possible speakers, musical program, place of meeting, etc. were discussed. It was decided, if possible, and if satisfactory to the Governor to have the speakers talk briefly only specified lines and as representative of certain community groups. A tentative program included as speakers:

Mr. B. Preston Clark — for Industry  
President Galilee J. A. F. of L. for Labor  
Commander Jeremiah Tuomey <sup>Am. Legion</sup> for Veteran Organization  
Mrs. Eva Melhuys White, for Social Service Agencies  
Judge McCallum for the Federal Courts  
Justice A. E. Puzoski for State Judiciary.

✓ Miss S.

It was hoped, and Miss Barr reported that Dr. Smith, who is in communication with the Governor on the program, would request that the Governor be the principal speaker on the program.

The musical program will be planned for a foreign born contribution. Suggestions were made of utilizing the International Chorus which gives an annual Washington's Birthday recital, a group singing Negro spirituals, and perhaps the Ukrainian group who sing in costume.

A list of tentative platform guests was read and discussed.

Mr. Clark expressed himself heartily in favor of the idea of an American meeting.

Mrs. Rauforth spoke of the necessity of having the program expressive of goodwill toward the foreign born.

Miss Barr stated that the meeting was definitely an Americanism meeting and while its underlying purpose was to express a loyal appreciation of the benefits of the American form of government in contradiction to the false program of Communism, she affirmed that the

FRIDAY, MARCH 15, 1935

meeting was to pro America rather than anti Communism.

Mr. George Lovett, district agent of the Springfield branch, reported concerning his district. He spoke of certain aspects of depression which had affected citizenship problem as lack of work made it impossible to meet naturalization costs even with reduced fees. He mentioned the fact that in Chicopee the closing down of a single industry put 3,000 persons out of employment. He mentioned the increase in age of candidates for naturalization, possibly because of interest in old age pensions. He expressed his personal approval of the present restrictive immigration laws and considered them decidedly beneficial in preventing Canadians from coming to the Springfield district to work as their employment would take work from citizens and residents.

Mr. Kelleher reported on his district and said that he had definite contacts with all the cities

in his district to assist applicants with the exception of Mailborough which seemed not desirous of the work. He described the detail necessary in some naturalization cases. He spoke of the increased work.

paper relative to Jeremiah Twomey "Will  
fight for oath bill to finish". Stated that  
program must

- (1) eliminate Twomey
- (2) add Martin F. O'Connor to follow him as  
speaker & represent Mass. Fed. of Teachers in  
case anything was said by Twomey on  
teacher's oath.

He did not think it possible or practical to have any  
one speak to Mr. Twomey advising him what to say  
or not to say. He wanted to know if I had seen  
Globe article on Mr. Twomey's statement.

### Immigration Rules Under Discussion

Canadian immigration regulations cause as much suffering as the American in breaking up families if and when they are literally interpreted by border officers according to the examples given by Miss Winifred Hutchison, of Toronto, Immigration and Travellers' Aid, secretary of the Canadian Y.W.C.A., and by Miss Alice O'Connor, Boston, supervisor of the Social Service Division of Immigration and Americanization of the Commonwealth of Massachusetts.

Both spoke this morning at a session of the committee on Trans-Border Social Problems held at the Mount Royal Hotel under the chairmanship of W. J. Black, director of the Department of Colonization and

Agriculture of the C.N.R. The meeting was held under the auspices of the National Conference of Social Work.

Miss Hutchison suggested that some international steps should be taken to make uniform the regulations covering nationality imposed on women who marry men of different nationality than their own.

### HUMAN TRAGEDIES.

Miss O'Connor, whose department deals with 30,000 cases each year, told of a number of human tragedies which had come to her notice as the result of harsh application of immigration regulations, pointing out that the interests of the social worker in nearly every case were with the human elements involved.

"The passing of the depression," she said, "would let us hold our heads higher if we could wipe out some of the disgraceful deportations of which we have been guilty."

She pointed out that there is evidence of governmental desire in both Canada and the United States to make humanizing changes and said that an instance of this was the recent agreement of both countries to assume the responsibility of passage and maintenance of deportees not merely to the point where the deportee was formerly thrust across the international boundary, but to the place where the deportee was formerly domiciled in the neighboring country.

#### BOSTON AT THE NATIONAL CONFERENCE

Boston was well represented at the National Conference of Social Work which was held in Montreal, June 7 to 15. More than 140 social workers registered at Conference Headquarters representing approximately fifty organizations in this city. The largest delegation—twenty-five workers—was from the Boston Department of Public Welfare. The Massachusetts Society for the Prevention of Cruelty to Children was represented by eighteen persons; the Massachusetts Department of Public Welfare

by sixteen; South End House by eight; seven social workers went from the Social Service Department of the Massachusetts General Hospital. The remaining agencies were represented by groups of varying size, ranging from one to five persons.

Three addresses were given by representatives of the Boston Family Welfare Society—Malcolm S. Nichols, Mrs. Natalie W. Linderholm and Mrs. Laurence M. Lombard, prominent member of their board. The Massachusetts General

Hospital also contributed three speakers—Harriet M. Bartlett, Dr. Chester Jones, and Ora M. Lewis. Other speakers included Rev. Robert P. Barry, Director of the Catholic Charitable Bureau; E. J. Helms, Morgan Memorial; Richard K. Conant, Massachusetts Commissioner of Public Welfare; Payson Smith, State

Commissioner of Education, and Alice O'Conner from the State Department of Immigration and Americanization.

Participating in the Conference program, in addition to the ten speakers listed above, were four discussants and five presiding officers—all executives in Boston social agencies.

"As you know in my dept. with the foreign born. so many loose ends were never finished. I am called for help on naturalization problem, people have sent in money for registry & entry 20.00 some two years ago and have never seen an immigration officer and the like of many cases which I want to iron out. We never see George & any more. This is what I want to know. Is Miss Barr going to make any changes in her program? I would like very much to have Berkeley Co. have a secretary for the field is large. I was secretary N. C. W. C. under Mary Barr where she was state secretary. I did the work in the county. Our foreign born problem is large & I could do the work with ease. One of the Gov's closest friends is a friend Jones and the Governor calls him every Sunday. This is just a hint about Miss Barr not to be overlooked. But I feel we must have service.
